

St. Anthony's Day School

"Teachers, Students and Parents of St. Anthony's Day School are extremely pleased with their new addition built by V.F. Pavone Construction Company. The building is solid, the materials are first class, the craftsmanship is superb and the follow-up and support has been most satisfying. V.F. Pavone Construction Company was sensitive to the institution's needs as a daycare and preschool and went out of their way to protect the safety of the children and respect the operational schedule so as to minimize inconvenience. We congratulate and thank them for a job well done."
