V.F. Pavone Construction Company
11120 Industrial Road
Manassas, VA 20109

Dear Pavone Construction Employees:

I would like to take this opportunity to personally thank you for the two beautiful plants that you had delivered to Gainesville Middle School on Friday, August 31st. They are the perfect addition to our beautiful new front office. We are so excited to be starting the school year and none of this would have been possible without Pavone's craftsmanship and attention to details and deadlines.

Again, thank you for thinking of us as we move forward into our school year.

Sincerely,

Sally MacLean, Ed.D.
Principal
